Robert A. Nichols, Assoc.AIA
Principal Designer

Project:
Ford Residence Kitchen & Remodeling
Bethesda, MD

Date of Completion:
2004

Cost of Construction:
\$100,000.00

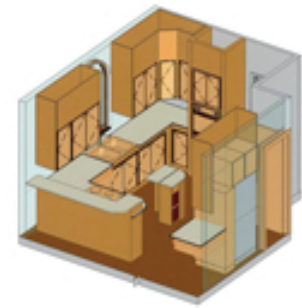

Description:
Built in 1986, this 3.5-level, 4,500 square-foot home in suburban Washington, DC, features an outdoor deck, swimming pool, and side-yard terrace. The renovation includes a remodeled kitchen, with living, breakfast, and dining areas, and a remodeled foyer and main stair. The electrical system was upgraded for new and existing light fixtures.
